

# DIPONEGORO MASTER SCHOLARSHIPS (DIMAS)

ACADEMIC YEAR 2021/2022

**Scholarships Guidelines**

# MESSAGE FROM THE RECTOR

Universitas Diponegoro (UNDIP) is well known as one of the best universities in Indonesia which aims to become World Class University. We are recognised as Top Ten University in Indonesia by Ministry of Education and Culture.

We are also acknowledged by numerous international accreditations agencies such as Green Campus and Sustainability (UI-Greenmetric), THE WUR 2021, QS WUR 2020, QS AUR 2020, QS World Graduate Employability Ranking 2020 and THE Impact Rankings 2020.

**"Tut Wuri Handayani  
(Educating is setting an  
example and  
encouraging the  
students)" - Ki Hajar  
Dewantara  
(Indonesian Education  
Founding Father)**

Providing excellent services and best practise education have become our main focuses to the students, both home and international students. Diponegoro Master Scholarships (DIMAS) 2021 offers these qualities through Master Programmes which are taught in Bahasa Indonesia.

We proudly present this unique opportunity to the international students from our partner countries who wants to pursue further education while experiencing the Indonesian culture.

We wish you all the best and looking forward to welcoming you all in UNDIP.

Semarang, January 2021  
Prof. Dr. Yos Johan Utama, S.H., M.Hum

# GENERAL OVERVIEW

We are offering 9 Masters Programmes (see Appendix A) through DIMAS. These study programmes are accredited A (Excellent) by the Indonesian Ministry of Education and Culture. We value our students, both home-students and international students, by providing excellent education as well as best services to foster the learning process. In addition, located in Semarang City has become one of appealing points for UNDIP as the city itself is well known by its cultural and industrial diversity. This uniqueness allows our students to experience local heritage in their surroundings and also access to our industrial partners for those who want to conduct the internships.

DIMAS (Diponegoro Master Scholarship) is a financial support offered by UNDIP for International Students to pursue their Master Degree in which Bahasa Indonesia is the main language used during the study. The scholarship consists of tuition fee waiver, living allowance (for those who resides in Semarang), health insurance and internet allowance during the COVID-19 pandemic.

## COVERAGE AND DURATION

1. Round Trip International Airfare (Economy Class) and Round Trip Domestic Flight from Jakarta Airport (CGK) to Semarang Airport (SRG). Issued by Diponegoro International Office.
2. Living allowance, only for those who reside in Semarang (IDR 1.000.000 per month)
3. Tuition fee waiver
4. Internet allowance for study online, only for those who reside outside Semarang (IDR 500.000,00 per month),
5. Student health insurance (at cost)

## PROGRAMME STRUCTURE

The Programme offers Masters Degrees which are conducted by Coursework or by Research. The scholarship covers maximum of 4 semesters with a thesis submission and journal publication (at least one scientific article) as the final milestone. The journal publication is expected to be published in national or international reputable journal (preferably indexed by Scopus).

The Master Programme which are offered in DIMAS are as follow:

1. Master of Management
2. Master of Accounting
3. Master of Economics
4. Master of Political Science
5. Master of Business Administration
6. Master of Public Administration
7. Master of Environmental Engineering
8. Master of Environmental Science
9. Master of Law

## GENERAL REQUIREMENTS

1. Not Indonesian Passport Holder
2. Valid Passport 2 years after the registration date
3. Curriculum Vitae
4. Copy of Bachelor Diploma and Academic Transcript
5. Letter of Declaration to comply with Indonesian Rules, Letter of Declaration of Bahasa Indonesia Proficiency (See appendix B)
6. Photograph 4x6 coloured
7. For specific requirement please refer to each study Programme requirements in Appendix A of this guidance book
8. Register at [admission.undip.ac.id](http://admission.undip.ac.id) and select DIMAS Programme

## RESPONSIBILITIES

1. Complying with the Indonesian laws and regulations, university's regulations, and other associated regulations;
2. Actively engaging in regular supervisory sessions and other academic-related activities all through the programme to support the study completion;
3. Being punctual and focus to pass all courses offered in their programme to enhance the academic outcome. Periodic assessments will be conducted to evaluate DIMAS recipient's eligibility to continue the programme;
4. Willing to participate in the academic and non-academic events held by Universitas Diponegoro.

**SUCCESSFUL APPLICATION WILL BE ANNOUNCED IN THE EMAIL AND UNIVERSITY WEBSITE**

## RESIGNING POLICY

Dropping all courses or resigning from the Scholarship programme, students are required to refund the scholarship. If students are considering resigning from the DIMAS Programme due to unforeseen circumstances, contact the Diponegoro International Office (DIO) for further assistance.

# MASTER OF ENVIRONMENTAL ENGINEERING

## Expected Learning Outcomes:

Graduates will be able to: (i) demonstrate specialty-area knowledge to meet present and future challenge in environmental engineering field; (ii) develop necessary engineering skills to solve environmental-related issues through inter or multidisciplinary areas; (iii) demonstrate the ability to effectively communicate both in writing and through oral, work in teams with various discipline

## Learning methods and assessments:

(i) Testing of the knowledge base and development of skills is through a combination of examination; (ii) Assessed coursework in the form of problem solving exercises; (iii) Design exercises based on observed-field problem; (iv) Essays and individual and group projects; (v) Submission and acceptance of peer-reviewed articles in Indonesian accredited journal or conference papers (indexed) based on the thesis; (vi) Participation in international conference and other work tailored to career goals; (vii) Examination of thesis

## **FACULTY WEBSITES:**

## FACULTY OF ENGINEERING

### Programme Specifications:

Environmental engineers are involved in managing and reducing waste and minimising pollution in order to protect, restore and preserve the earth. Environmental engineers are employed within the private and public sector and work in companies and organisations including: government sector, various industries particularly for HSE position, consultants, national and international organizations related to environment and researcher either in public/government or private companies.

### Programme requirements:

The program requirements include:

(i) Undergraduate with GPA minimum 2.75; (ii) Undergraduate background in Engineering; (iii) Do not have colour blindness

# LETTER OF DECLARATION

## DIMAS APPLICANT DECLARATION

I confirm and declare that:

1. I agree to undertake [name of Master Programme] full time and understand that this must not be changed without prior written approval of the Rector.
2. I agree that I will study via online at my home country during the COVID-19 pandemic, or until the Republic of Indonesia and Universitas Diponegoro give permission to attend the course in person, within Indonesia territory.
3. I agree to make any possible effort to achieve satisfactory academic result in my study and meet the criteria set by Universitas Diponegoro.
4. I agree to the exchange of information between Universitas Diponegoro and authorities such as immigration of the Republic of Indonesia, or other relevant government agencies.
5. I agree that I will return directly to my home country within 30 days of my study completion.
6. I agree to ensure my immigration visa and passport are kept current for the duration of the scholarship.
7. I agree to obey the laws and regulations of the Republic of Indonesia as well as other associated organisations, and maintain acceptable standards of conduct while reside in Indonesia and understand that the law of the Republic of Indonesia will apply to any agreement between myself and Universitas Diponegoro.
8. I will comply with the terms and conditions applied for awardee of DIMAS.
9. I will obey the academic regulations and standard ethics of Universitas Diponegoro.

I declare that the information provided in this application for DIMAS is true, complete, and correct to the best of my knowledge. I acknowledge that supplying false or misleading information is a serious offense under the Indonesian Crimes Law and will result in Universitas Diponegoro withdrawing this scholarship.

**DIMAS APPLICANT  
BAHASA INDONESIA PROFICIENCY  
STATEMENT**

**To whom it may concern**

I, undersigned below:

Full Name	:
No. Passport	:
Country of Origin	:
Study Programme (in UNDIP)	:
Faculty (in UNDIP)	:

hereby confirm and declare that I agree to use Bahasa Indonesia during my study at Universitas Diponegoro. I will take full responsibility for this Statement, and if in the future, I cannot comprehend well the lectures because of language barriers I am willing to improve my Bahasa Indonesia skills without Universitas Diponegoro aid.

Place of signing, date (DD/MM/YY)

Applicant,
