

Introduction of Korean Language Program

1. Overview

The Korean Language Program is for foreigners and overseas Koreans living in Korea. It combines textbook study courses and a practical program of various cultural experiences. This comprehensive program is designed not only to help foreign students adjust to the Korean lifestyle but also to help overseas Koreans have a better understanding of Korean culture while they learn Standard Korean.

2. Curriculum

Total class hours	Class day	Hours
200hour(10weeks)	Monday~Friday	09:00~13:00(4hours)

Level	Contents
Level 1 (Beginner)	· Learn basic Korean vowels, vocabulary, and expressions · Basic day to day conversation: self introduction, greetings, etc.

Level 3 (intermediate)	· Learn and use high level vocabulary and more complex grammar · Speak and write opinions using proper grammar and syntax
Level 4 (intermediate)	· Learn idiomatic expressions used in daily life or in specific situations · Learn to logically express the situations in schools and at work places · Express matters related to one's own study / business using specialized terms
Level 5 (advanced)	· Learn and use advanced level grammar rules and vocabulary · Practice writing specialized texts: lecture notes, academic reports, etc. · Logically express one's thoughts and opinions on general social issues
Level 6 (advanced)	· Learn professional knowledge for college-level education · Improve communication ability through discussion and presentation · Improve communication ability for professional fields

3. Academic Schedule

Semester		Class period	Application Due	
			D-4Visa holder	Others
2022	Spring	3.14.(Mon) ~ 5.20.(Fri)	2.03.(Thur)	3.03.(Thur)
	Summer	6.06.(Mon) ~ 8.12.(Fri)	4.28.(Thur)	5.26.(Thur)
	Fall	9.12.(Mon) ~ 11.18.(Fri)	8.04.(Thur)	9.01.(Thur)
	Winter	12.12.(Mon) ~ 23.02.17.(Fri)	11.03.(Thur)	12.01.(Thur)

Semester		Class period	Application Due	
			D-4Visa holder	Others
2023	Spring	3.13.(Mon)~5.19.(Fri)	2.02.(Thur)	3.02.(Thur)
	Summer	6.05.(Mon)~8.11.(Fri)	4.27.(Thur)	5.25.(Thur)
	Fall	9.11.(Mon)~11.17.(Fri)	8.03.(Thur)	8.31.(Thur)
	Winter	12.04.(Mon)~24.02.08.(Thur)	10.26.(Thur)	11.23.(Thur)

4. Application Procedure

STEP1	STEP2	STEP3	STEP4	STEP5	STEP6
Submit Application Documents	Documents Screening	Receive Invoice and Pay fees	Issuance of an admission letter	Applying for a visa	Taking the course

5. Application Documents

- Eligibility for admission: A high school diploma or the equivalent qualification

- Submission documents

Documents	Details	D-4 Visa	Others	Note
Application form	Application form, A Sponsor Letter, Request of Admission, Personal information collection agreement	○	○	Original
Passport	Scanned copy	○	○	Copy
Graduation certificate	Apostille or notarization of Korean Consulate	○		Original
Academic transcripts	Apostille or notarization of Korean Consulate	○		Original
Kinship certificate	A copy of parents' ID card	○		Copy
Bank statement	Minimum balance of 10,000 USD (issued within 1 month) *When submitting parents' bank statement, applicant must also submit certificate of kinship or birth certificate that proves family relationship.	○		Original

*Submitted documents will not be returned

*All documents must be translated into Korean or English

*Additional documents might be required dependent on guidelin es set by the Korean Government

*Submit all the original copies via postal mail or in person after the email registration process is finalized

6. Tuition Fee

Application fee	Tuition fee	Insurance fee
70,000won	1,200,000won/1 Semester	58,000won/6 Months

*Application fee is not refundable

*D-4 visa applicants must apply for at least two semesters for visa issuance

*International students will automatically subscribe to the National Health Insurance 6 months after their date of entrance into Korea

Bank account Information	
Account Holder	Kangwon National University
Bank	SHINHAN
Account Number	100-030-694705
SWIFT CODE	SHBKRRSE
Bank Address	120, 2-Ga Taepyeong-Ro, Chung-Gu, Seoul, Republic of Korea.

*Deposit it under the applicant's name and deposit in "KRW"

Others

1. Dormitory Information

Building	Room Type	Dormitory Fee (4 months)
International Dormitory, BTL Dormitory, etc.	Double room	About 600,000 won

2. Scholarship

- Best Performance Award, Attendance Excellence Award
- Scholarships for KNU students(up to 50% tuition waiver)
- Scholarships for students entering KNU after completing 2 semesters or more

Beneficiary	Qualification	Benefits
Under graduate, graduate school	Acquiring TOPIK level 4	60% Tuition
	Acquiring TOPIK level 5 or above	Full Scholarship
	Attended the Korean course at Language Training Institute and holds TOPIK Level 3 or a student who completed Korean course Level 4 at the KNU Language Training Institute (Studied for more than 6 months in total, attendance rate must have been 80% or higher)	35% Tuition

3. Cultural Experience Program

- Making Korean food
- Learning Korean Arts
- Experiencing Korean traditional games
- Participation in local attractions and local festivals
- Korean Speech Contest/ Athletic Contest
- Experiencing Korean culture and Korean language education

Foreign Undergraduate/Graduate Admission Guide

1. Admission to undergraduate/graduate course

- Eligibility : Foreigners whose parents are also foreign nationals

- Qualifications

Apply to	Qualification	Note
Undergraduate	Holds at least the TOPIK Level 3 or has passed at least Level 4 of the Korean language program at KNU or Holds English Proficiency Test Scores	Must to meet education requirements for each grade (Transfer Admission)
Graduate		hold a bachelor's/ master's degree

- Application Procedure

STEP1	STEP2	STEP3	STEP4	STEP5
Online Application (April, October)	Documents Submissions	Interview test	Notification of Acceptance	Registration for Admitted Students

- Departments and Programs (Undergraduate)

College	Field	Department
Business school	Humanities & Social Sciences	Business Administration, Accounting, Economics, Tourism Management, International Trade
	Natural science	Information Statistics
Agriculture and Life Sciences	Natural science	Biosystems Engineering, Food Biotechnology and Biosystems Engineering, Applied Plant Sciences, Applied Biology, Horticultural, Agricultural and Resource Economics, Department of Regional Infrastructure Engineering, Biological Environment, Environmental Science
Animal Life Sciences	Natural science	Department of Animal Industry Convergence, Applied Animal Science, Department of Applied Animal Science
Art and Culture Engine	Engineering	Architectural Engineering, Civil Engineering, Environmental Engineering, Mechanical and Biomedical Engineering, Mechatronics Engineering, Materials Science and Engineering, Industrial Engineering, Energy and Resources Engineering, Biotechnology and Bioengineering, Department of Architecture(5-year)
	Humanities& Social Sciences	Department of Visual Culture
	Arts	Department of Design, Dance, Fine Arts, Sports Science, Music
Education	Humanities & Social Sciences	Department of Education, History Education, English Education, Ethics Education, Social Studies Education, Geography Education
	Natural science	Department of Home Economics Education
Social Sciences	Humanities & Social Sciences	Department of Public Administration and Psychology, Cultural Anthropology, Real Estate, Sociology, Department of Media and Communication, Department of Journalism and Mass Communication
Forest and Environmental Sciences	Natural science	Division of Forest Science, Division of Forest Material Science and Engineering, Ecological Landscape Architecture Design
Biomedical Sciences	Natural science	Molecular Bioscience, Medical Biomaterials Engineering, Bio-Health Technology, Systems Immunology, Medical Biotechnology
Humanities	Humanities & Social Sciences	Korean Language and Literature, German Language and Literature, French Language and Literature, History, English Language and Literature, Japanese Studies, Chinese Language and Literature, Philosophy
Natural Sciences	Natural science	Geophysics, Geology, Biochemistry, Chemistry, Physics, Mathematics, Biological Sciences
Information Technology	Engineering	Department of Electrical and Electronic Engineering, Electronic Engineering, Computer Engineering

Departments and Programs (Graduate)

College	Field	Department
Humanities and Social Science	Master	Department of Storytelling, Real Estate, German Language and Literature, French Language and Literature, Chinese Language and Literature
	Master, Doctoral	Department of English Education, Cultural Anthropology, Political Science and Diplomacy
	Master, Doctoral, Combined	Business Administration, Economics, Tourism Management, International Trade, Accounting, Agricultural Resource Economics, Visual Culture, Law, Education, Korean Language Education, Social Education, Sociology, Media Communication, Psychology, Public Administration, Korean Language and Literature, History, English Department of English Literature, Japanese Studies, Philosophy, Department of Peace, Humanities Therapy, Regional Education Cooperation
Natural Science	Master	Department of Home Economics Education, Bio-Health Technology
	Doctoral	Department of Biomedical Science(Bio-health Technology)
	Master, Doctoral, Combined	Department of Agriculture, Biosystems Engineering, Food Biotechnology and Environmental, Science Applied Plant Science, Applied Biology, Horticulture, Regional Infrastructures Engineering, Animal Resources Science, Animal Industry Convergence, Applied Animal Science, Science Education, Forest Management, Forest Biomaterials Engineering, Department of Forest Resources, Forest Environment Protection, Paper Science and Engineering, Landscape Architecture, Pharmacy, Molecular Bioscience, Molecular Bioscience, Systems Immunology, Medical Biotechnology, Bio-health Technology, Integrative Molecular and Biomedical Sciences, Physics, Biological Sciences, Biochemistry, Mathematics, Geophysics, Geology, Statistics, Chemistry, Environment Sciences, Computer Science, Bio-Health Convergence, Plant Materials Industry and Science
Engineering	Master, Doctoral, Combined	Department of Architecture, Architectural Engineering, Mechanical and Biomedical Engineering, Mechatronics Engineering, Data Science, Industrial Engineering, Biotechnology and Bioengineering, Energy and Resource Engineering, Chemical Engineering, Civil Engineering, Environmental Engineering, Electrical and Electronic Engineering, Electronic Engineering, Computer Information and Communication Engineering, Integrated Energy and Infra System, Integrated Energy and Infra System
Art and Physical	Master	Department of Dance, Fine Arts, Music
	Doctoral	Department of Performing Arts
	Master, Doctoral Combined	Department of Sports Science Department of Design
Medicine	Master	Department of Veterinary Medicine, Medicine
Interdis ciplnry Programs	Master, Doctoral	Interdisciplinary Program in Geoinformatics
	Master, Doctoral, Combined	Interdisciplinary Program in Smart Regional Innovation, Department of Education and Humanities Cooperation, Interdisciplinary Graduate Program in Environmental Management and Policy, Department of BIT Medical Convergence, Interdisciplinary Graduate Program in Smart Agriculture, Interdisciplinary Graduate Program in Environmental and Biomedical Convergence, Interdisciplinary Graduate Program in Medical Bigdata Convergence, Department of Smart Health Science and Technology, Interdisciplinary Program in Advanced Functional Materials and Devices Development, Department of Integrated Particulate Matter Management
