UNDIP NOBLE, UNDIP VALUABLE

*Assalamu'alaikum Warahmatullahi Wabarakatuh,
Peace be upon us all.*

Let us offer our praise and gratitude to the presence of Almighty God, because by His mercy and grace, we have been able to complete the 2026 Booklet KNB UNDIP with satisfactory results.

It is with great pleasure and pride that I extend my warmest welcome to you, our esteemed prospective international students, to Universitas Diponegoro. You are now part of a thriving academic community that not only values knowledge and innovation but also cherishes integrity, inclusivity, and cultural diversity.

Our university's, "Noble and Valuable," reflects the essence of what Universitas Diponegoro aspires to be - an institution that upholds noble values while equipping students with the knowledge, skills, and character to make meaningful contributions to the world.

"Noble" represents our commitment to fostering a culture of ethics, respect, and academic excellence. It is our aim to instill in every student the importance of integrity, resilience, and social responsibility.

"Valuable" signifies our dedication to empowering students to realize their full potential and to become valuable members of society, ready to address global challenges with innovative solutions and a collaborative spirit.

Prof. Dr. Suharnomo, S.E., M.Si.

Rector

Living in SEMARANG

The City of Harmony

Ease of Access

Semarang city is situated in the center of Java Island which allows you to fly from any directions by domestic flight either from Jakarta or Bali. It also has direct international flight from Singapore and Kuala Lumpur, Malaysia.

Liveable City

Semarang is well known as the most affordable city compared to other big cities in Indonesia. In fact, it has modern shopping malls, luxurious hotels and apartments as well as abundant historical sites. With only 1.7 million people inhabitants, this city is not very crowded as other Indonesian capital cities and has better traffic management.

As Indonesia is situated on the equator line, Semarang has a tropical climate with an average temperature 27 °Celsius yet with a humidity of ± 95%.

Accessible & Inclusive Transportation

You have more choices to travel from within the city. Bus Rapid Transit and online taxi (including motorbike taxi) are available as public transports.

It is also easy when you need to travel outside of the city. Train and inter-city bus can be the perfect choices.
